

Cambridge English Scale – a new way of reporting results

Message from Cambridge English Language Assessment:

From January 2015, we will start using the Cambridge English Scale to report results for our exams.

Key facts:

- ❖ A single range of scores will be used to report exam results.
- ❖ Scores on this scale will replace the current candidate profile and standardised scores – to see how, use our score converter (see **Convert your score** below)
- ❖ There are individual scores for Reading, Writing, Listening, Speaking and Use of English.

Cambridge English: First (FCE)

From January 2015, *Cambridge English: First (FCE)* results will be reported on the new Cambridge English Scale (replacing the current candidate profile and standardised scores).

You will receive a separate score for each of the four skills (reading, writing, listening and speaking) and use of English, giving you a clear understanding of your performance. These five scores are averaged to give you an overall result for the exam. You will also be given a grade and Common European Framework of Reference for Languages (CEFR) level.

Understanding results

All candidates receive a **Statement of Results**, and if you are successful in the exam you will also receive a **certificate**.

Your Statement of Results contains the following information:

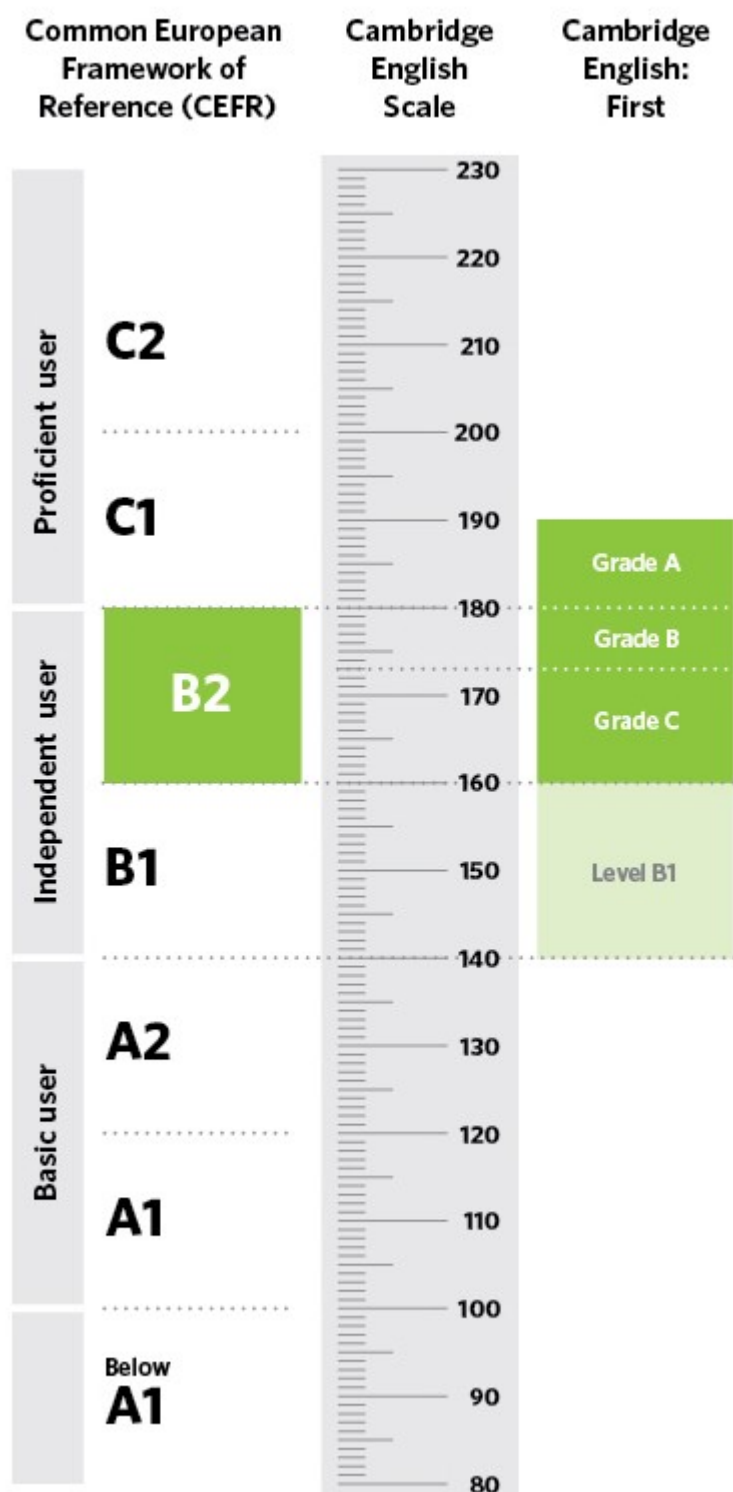

- ❖ Your score on the Cambridge English Scale for each of the four skills (reading, writing, listening and speaking) and use of English
- ❖ Your score on the Cambridge English Scale for the overall exam
- ❖ Your grade (A, B, C, Level B1) for the overall exam
- ❖ Your CEFR level for the overall exam. Depending on which university, college or organisation you are applying to, you may be asked to achieve a specific score or grade, either overall or for a particular skill.

For *Cambridge English: First*, the following scores will be used to report results:

Cambridge English Scale Score	Grade/CEFR	CEFR level
180–190	Grade A	C1
173–179	Grade B	B2
160–172	Grade C	B2
140–159	Level B1	B1

The exam is targeted at Level B2 of the CEFR. The examination also provides reliable assessment at the level above B2 (Level C1) and the level below (Level B1).

Scores between 122 and 139 are also reported for *Cambridge English: First*. You will not receive a certificate, but your Cambridge English Scale score will be shown on your Statement of Results. The relationship between the CEFR levels, the Cambridge English Scale and the grades awarded in *Cambridge English: First* is illustrated below:
